

TLC AdvancePlus

## The TLC Companies® is your one-stop solution for all your company's needs

The TLC Companies® is the nations largest Transportation specific PEO. We understand the need to help trucking companies save time and money. We have taken the scale of The TLC Companies to provide a factoring program exclusively for TLC Clients only.

### **TLC AdvancePlus Benefits:**

- Consistent cash flow reduces stress and allows you to focus on growing your business
- Custom designed accounts receivable financing programs
- Collection Management Services that help reduce collections visits
- Financing does not show up on your balance sheet as debt
- Based on the quality of your customer's credit
- Unlike a loan, factoring has no limit to the amount of financing
- Real-time, online account management and accounts receivable information reporting
- Experienced professional staff that manages your account
