

TLC SmartTruck

The TLC Companies® is your one-stop solution for all your company's needs

The TLC Companies® is the nations largest Transportation specific PEO. We understand the need to help trucking companies save time and money. We have taken the scale of The TLC Companies to provide a Fleet Management Application program exclusively for TLC Client only.

TLC SmartTruck Benefits:

- Easy to install, tamper-proof SmartAntenna
- Provides complete Fleet Management system to monitor equipment performance and vehicle tracking
- Detailed reports that includes IFTA miles, HOS, and fuel consumption
- Create exception reports to identify excessive braking, idle time, over speed alerts, etc.
- Ability to create "GEO Fencing" of customer locations
- Assist dispatch in routing and load assignments
- Trailer tracking and Reefer temp alerts
- Provide "One Button Response" for driver messaging
- Customized web portal
